

Clamp Shoes bring an augmented reality experience to your iOS or Android device in a simple way. Just follow these simple steps:

1 Search for "armedia" on App Store or Google Play and download for free the Armedia Player App.

Open the Armedia Player App and use the integrated QR code reader to download our contents **2**

Blue and Brown

Boot

Rhythm

Sandal

If you're having problems scanning, cover 3 QR codes at a time this will make the reader does not get confused

3 Go to the library and choose and open one of the Clamp contents Then tap to augment and point the camera of your device for this marker below and enjoy the Clamp augmented reality experience.

you can use fingers gestures on your device screen to zoom or rotate our contents
